GUIDELINES FOR

creating id cards

WITH THE EXPERTS FROM ID SOLUTIONS

> advice

what the experts recommend

id card essentials front of the card

primary information

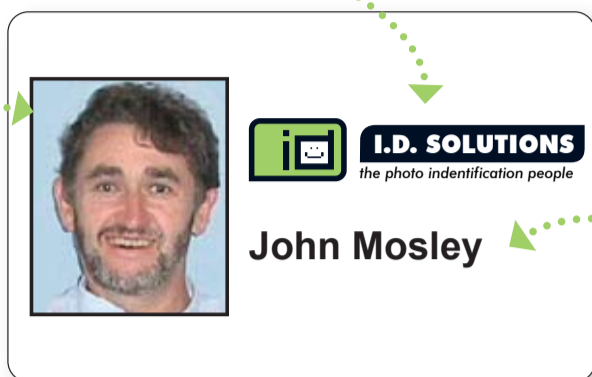

When you create an id card you need to have at least the **3 basics** on the card:

- > **name** so that people can identify you
- > **photo** so that people can recognize you
- > **company name/logo** so people know what company you work for

company name/logo
