# consumables

ID Solutions is proud to be an agent for Datacard, the world's most trusted brand in photo ID solutions. Our complete range allows you to find a perfect match for your needs, our packages are designed to produce employee badges, student IDs, membership cards, licences, loyalty programme cards or virtually any other type of photo ID.

To support these systems, we also stock a wide range of genuine **printer ribbons for DataCard and Zebra printers**, plus industry standard blank PVC, magnetic stripe, mifare and adhesive cards at some of the lowest prices in New Zealand.
