

wristbands

Tyvek® wristbands

- > Made of strong, waterproof, lightweight Tyvek®, our wristbands can easily be adjusted to any size, and the adhesive strip is simple to use.
- > We carry a range of colours in stock, and can also have them custom printed with your logo or text. Call or contact us for a quote.
- > All of our stock Tyvek® wristbands are pre-numbered for ease of control.
- > Tyvek® Wristbands are virtually tamper proof, due to a series of die-cuts at the point of adhesion.
- > Tyvek® Wristbands measure 25mm wide and 254mm long and are available in a wide range of colours. The minimum order for custom printing is only 1000
- > 3 - 4 weeks lead time

vinyl wristbands

- > Comfortable
- > More durable
- > Available in bright colours
- > Can be custom printed (1,000+)
- > Adjustable size
- > Suitable for up to five days

silicone wristbands

- > Silicone wristbands are a cost effective way of advertising. Wristbands carrying your company's details or message are an extremely effective promotional tool.
- > We supply debossed or printed
- > Huge range of colours
- > 3 - 4 weeks lead time

Tyvek wristbands can be custom printed to suit your crowd management requirements. Coloured custom printed wristbands are a great method of visually identifying your paying customers. Wristbands can also be used for special privileges, catering, age ID, in fact any application where a simple, effective means of visual identification is required.

Suitable for one day events
