

id card essentials front of the card

primary information

When you create an id card you need to have at least the **3 basics** on the card:

- > name so that people can identify you
- > photo so that people can recognise you
- > company name/logo so people know what company you represent

company name/logo landscape

name
(1 line)

id card extras front of the card

secondary information

- > job title
- > department
